Playboy's Sexiest Class Reunion

Sylvia Kelly

COLLEGE OF DUPAGE

In 1983 when Playboy's Newsstand Specials introduced the first issue of *College Girls*, a theme dedicated to hot and sexy students, no one knew it would become our most popular and best-selling theme—EVER! What started as a supplement to showcase more of the cute coeds found during Playboy college conference searches, turned into a popular series that featured outtakes from PLAYBOY magazine as well as original content produced to fill the pages of 48 *College Girls* issues over a span of 29 years. It was clear to us that fun and frisky nude photos of sexy, fresh-faced college girls from major universities, small colleges and community colleges was a winning combination and so it became a permanent part of the SE issue lineup. Now as we say farewell to the Special Editions *College Girls* print editions, it seemed an appropriate time to pay tribute to a few of our favorite coeds from past semesters. This is one sexy class reunion that you'll want to attend again and again!
